*Equivalence means the candidate should be an Associate Member of a Professional Bodies of Engineers that are recognized by the Govt. of India for the purpose of admission to higher studies in Engineering

Applicants applied for some particular code are not allowed to take admission in any other code.

Mode of Examination

JEMAT 2018 question paper will consist of questions from three main sections- English, Mathematics and Logical Reasoning.

The candidates are expected to solve 100 objective type questions in 2 hours. Each question carries 1 mark and 0.25 marks will be deducted for each wrong answer.

Each question will have four options to choose the right answer from. The candidates are required to select only one option as the answer. Marking more than one option as their answer may lead to deduction of marks.

Here's the breakup of the question paper:

Subject	No. of Questions	Marks
General English	40 questions	40 marks
Mathematics	40 questions	40 marks
Logical Reasoning	20 questions	20 marks
Total	100 questions	100 marks

.

All candidates must appear in the entrance test. The proportional representation of marks for preparation of merit list will be as follows:

The number of seats is subject to change as per the extension of approval of the existing courses, increase in the number of intake in the existing courses and approval of new courses granted by AICTE for session 2018-19.
